RESPONSE

Sir:

This Response is in response to the final Office Action dated April 16, 2008 concerning the subject patent application. This Response is also further to the Proposed Response for Discussion Purposes which was submitted by fax on June 26, 2008.

This Response is also further to the Examiner's Interview on July 8, 2008 with Examiner Randy Boyer in which Charles Rodman (Reg. No. 26,798), Terry Kuharchuk (Reg. No. 34,999), Gerard Monaghan and Wayne Brown participated on behalf of the Applicant.

The Applicant, and particularly Mr. Rodman, Mr. Kuharchuk, Mr. Monaghan and Mr. Brown thank Examiner Boyer for his consideration in granting the Examiner Interview and for allowing the remarks contained in the Proposed Response for Discussion Purposes to be supplemented by oral submissions on behalf of the Applicant. No amendments are submitted with this Response, however, a copy of the claims are enclosed for the convenience of the Examiner.
